GOVERNMENT SOURCE INSPECTION - VARIABLE

Government inspection is required prior to shipment from Seller's facility.

Upon receipt of this contract, Seller shall promptly notify and furnish a copy of this contract and all subsequent change orders to the government representative who normally services Seller's facility so that the appropriate planning for government inspection can be accomplished.

During performance of this contract, the Seller's and Seller's subcontractor's Quality and Manufacturing processes are subject to review, verification, and analysis by authorized Government Representatives.

If a government representative does not normally service Seller's facility, Seller shall furnish a copy of this contract to the nearest Defense Contract Management Agency (DCMA) office. In the event the Government representative or DCMA office cannot be located, Seller shall immediately notify Buyer's Authorized Procurement Representative.

Evidence of government inspection shall be shown on the shipping document.

Government inspection of goods or services provided hereunder shall be performed at Seller's address shown on this contract or contract change unless a different address is specified below:
